ONE LITTLE CANDLE

It is better to light just one little
candle than to stumble in the dark. --
Better far that you light just one little
candle,
All you need's a tiny spark. --
If we'd all say a prayer that the world
would be free,
The wonderful dawn of a new day we'd
see,
And if everyone lit just one little
candle,
What a bright world this would be!

When the day is dark and dreary
And your way is hard to find,
Don't let your heart be weary,
Just keep this thought in mind. --
It is better to light just one little
candle than to stumble in the dark.

May 24, 1970 Marks ICHS Graduation

Graduation brings both happiness and sadness. Happiness at the thought of no more high school classes and books; happiness at having reached a goal looked forward to for twelve years. Sadness at leaving behind fellow classmates and suddenly realizing that you are, in a certain way, on your own.
